

Join the Birthday Book Club at Godwin and Highland School

The Birthday Book Club is an excellent way to celebrate your child on their birthday while enriching our school library by donating a new book in his/her name.

If you choose to donate a book, your child and their birthday will be acknowledged on a special bookplate and the book will have a special place in the library for all to see and read.

The book will be read to your child's class. Then week after week your child will pick a classmate to borrow the book.

Imagine how pleased and happy your child would feel knowing a book with their name in it is part of the library!

You can celebrate your child any time during the school year! Spring or summer birthday? Send it in at any time! Birthday already passed or you just remembered? Send it in whenever you'd like!

Here is how the program works:

1. **Purchase a book** that your child would like (hardcover is best but paperback is fine too.). You can buy the book wherever you like!! The Curious Reader (Glen Rock), Bookends (Ridgewood), Barnes and Noble and [Amazon.com](https://www.amazon.com) are a few popular places.

2. **Fill out a donation form** (page 2 of this doc) with all the necessary information.
3. **Send the form and book to school** with your child and have them bring it to Ms. Carr in the school library OR if it's a surprise drop it off yourself! Bring it to the Main Office of Highland School where our library is located.

If you'd like to celebrate another special life event – let me know when you fill out the form.

If you have any questions please don't hesitate to contact Ms. Christine Carr ccarr@mpsny.org
