

NAMING SCHOOL FACILITIES

It is the responsibility of the Prince Edward County School Board to determine the name of school facilities in the division. The Board will solicit and accept input from the public regarding the names of school facilities but reserves the right to make the final decision regarding the name of any school facility. Suggestions regarding the name of a school facility must be in writing, must state the name of the person or group making the suggestion and must state the reasons supporting the suggestion. The School Board may create a committee to make recommendations to the Board on the naming of any school facility.

The Board may rename a school facility upon a determination that it is appropriate to do so. The procedure for renaming a school facility will be the same as the procedure outlined above.
