November 23, 2021

Dear Parents and Guardians,

The district had a planned day off for preschool students on January 3, 2022. This was our expected scheduled day to welcome new preschoolers and families to tour and visit our programs in preparation for next year. Given this is directly after our holiday vacation, the district is delaying the Open House until **January 19, 2022**. As a result of this change, preschool will run as regularly scheduled on January 3, 2022. We have moved the Open House to Wednesday, January 19, 2022. Our preschool programs will be closed on this date to welcome new families.

Please mark the date on your calendars. We appreciate your support and flexibility.

Sincerely yours

Joan M. DeAngelis, Director of Pupil Personnel Services
