NRHS Overnight Travel Approval Request – German Club to URI

Discussion:

Superintendent Clenchy thanked Mr. Pritchard, NRHS German Teacher, for bringing the field trip forward and thanked the School Committee for agreeing to an additional meeting to consider Mr. Prichard's field trip request. Superintendent Clenchy stated that in addition to the educational value of the trip, we need to be focused safety and following School Committee Policy.

Mr. Prichard presented information to the School Committee, which is included in the meeting materials. Additionally, he informed the committee that NRHS had received an invitation to attend this event which is organized by the Goethe-Institut Boston.

Questions included the gender breakdown of NRHS participants and the obligation of the chaperones to stay overnight. It was determined that no special license was required to drive the school van, which will provide transportation for the participants.

Mr. Pritchard acknowledged that there was confusion on his part regarding which were the appropriate filed trip forms to use. Superintendent Clench and Chairperson Romasco stated that we will review the policy and make sure there is consistency among forms.
