Central MA Community Sports offers an array of team sports year-round. Affiliated with Special Olympics, it is a local program serving children of Bolton, Stow, and Lancaster, providing ALL children in our area an opportunity to share in sporting activities. Teams are formed based on the ages and skill levels of our athletes, and volunteers help teach group, sport, and social activities. ALL PROGRAMS ARE OFFERED AT NO COST. Our soccer program is currently underway at Snow Field in Stow on Sundays at 1pm.

HOW YOU CAN HELP SUPPORT US - There are several ways you can help! We are always looking for athletes and volunteers, which are vital to keep our programs going. We also host fund-raising events to support our athletes and programs. Our current program is a calendar raffle: For \$10, you can purchase a calendar in which a drawing will be held each day for the month of December and a gift from a local business will be awarded. We also need volunteers to help sell calendars.

For additional information about our soccer or basketball programs please contact Brendan Aylward at brendan.aylward7@gmail.com.

Please contact Bob Moalli at 978-985-0038 or Bob.Moalli@gmail.com for information about the calendars which can be purchased online at [this link](#). Please remember to include "Central MA Community Sports" in the Additional Information section as described below.
