School News

Chamber Singers Sing National Anthem

The Chamber Singers choir, directed by Mrs. Cormier, sang the National Anthem for the opening of the New Hampshire House of Representatives Session yesterday at the State House in Concord. They sang beautifully and received a 5 minute standing ovation from legislators! They also were presented with a Certificate of Appreciation by the Speaker of the House.

You can see the students singing on streaming video at this link: <http://bit.ly/2pHPiQI>

Congratulations to our talented singers, and thank you to Mrs. Cormier and chaperones!

In the Classroom: Science 1 with Mrs. Moore

Students did a wonderful job depicting the different biomes found around the world in either a diorama or poster. Posters were beautifully put together and they were able to make their diorama come to life, providing a good representation of the life and climate found in specific areas of the world. Nice job Science 1!

Upcoming High School Information Night, By: Mr. Kline

Dear Parents,

As the year is coming to a close, we are planning on holding a High School information night within the first two weeks of May. At this meeting, you will have the chance to hear from the faculty and administration about the upcoming electives and courses that we will have for your students next year. Please look forward to upcoming emails, as we will be solidifying a date in the near future. In other news, we successfully held the PSAT's here at Founders. The students behaved well and seemed to tackle the test head on. Thank you for your time and support, and we look forward to seeing you in the next couple of weeks.

Sincerely,

Mr. Chris Kline
Curriculum Coordinator
