Dear Gladstone Parents, Students and Staff,

In an effort to remain as transparent as possible, we feel it is necessary to inform you of an incident that occurred today at the high school.

A GHS student made a verbal threat today to cause harm to other students. We immediately took action by calling Gladstone Public Safety and they assisted us in the investigation. School disciplinary action along with possible law enforcement action will be taken as appropriate. At no time today, was there any immediate danger to any student or staff member. The procedures that we have in place allowed us to handle this situation with little disruption to the other students in the building, most of whom were unaware that the threat had even been made.

We appreciate your willingness to continually trust us with your children. We make every effort to provide them with a safe and caring learning environment.

If you have any questions or concerns, please feel free to contact me at the Gladstone High School Office.

Sincerely,

[Andrew Jacques](#)

Gladstone High School Principal
