## Picture Days Are Coming September 29 and 30

### Parent Volunteer Signups Due Today

When schools and families work together to support education, student achievement thrives. At All Saints Catholic School, our goal is to provide a learning environment in which students are able to maximize their academic and spiritual potential. To achieve this level of greatness, it is imperative to involve all parents.

Parents represent a group of individuals possessing varied talents and gifts which benefit the entire school community. It is our intention to provide multiple areas for partnership in which those gifts and talents can be realized. At this [link](#), you will find descriptions of the many areas where parents can support our school and our students. This document is also located at the end of this newsletter. The chairs for each event are listed in bold italics. Please use this [Google Forms link](#) to volunteer for the activities.

All committees are typically in need of multiple volunteers to help periodically during the course of the school year. Should parents wish to volunteer for a committee, they may select the "volunteer" option when completing the online sign-up form. Please note, parent volunteers – other than lunch, recess and traffic – will not be allowed into the building during school hours until second quarter. Events held off-site or after regular school hours may be staffed with parent volunteers beginning this September.

Before volunteering, please complete and return ALL forms found at this [link](#). Please submit your forms by Monday, September 20. There is a mandatory Protecting God's Children workshop that all prospective volunteers must complete before being allowed to work with children. Here is the [link](#) to register for one of those sessions.

# Parent Volunteers Needed for Lunch and Recess

All Saints is looking for parent volunteers to assist our lunch and recess teams. For the 2021-2022 school year, the lunchroom is asking volunteers to sign up for the entire lunch period, which runs from 11:00 a.m. to 1:00 p.m. This covers the lunches of K-8. Due to COVID, we are limiting the amount of people in the building who come in contact with students, so we need volunteers who can commit to the full time that lunches are served.

Our recess volunteers will be able to select specific times because these positions are outdoors. Here are times for available recess volunteer slots:

### Recess Schedule

Grades 1-2	Recess: 11:00- 11:20 a.m
Grades 3-4	Recess: 11:30-11:50 a.m.
Grades 7-8	Recess: 11:55 a.m.-12:15 p.m.
Grades 5-6	Recess: 12:45-1:05 p.m.

To volunteer, please see details on our website at this [link](#). Please be sure to complete and return all [forms](#) required for parents to volunteer and be in the building.

## Scrip Cards Support All Saints

Hello, All Saints Families! You can now order your physical Scrip gift cards! These cards are ordered every Monday that there is a full week of school for students, and sent home that Friday via your student's backpack. Scrip cards are great to pay for your day-to-day expenses or give as gifts, all while earning money for ASCS as well as discounts on your 2022-2023 school-year tuition! If you want to find out more about the ASCS Scrip program, please check out the link below or contact Lindsey Keller at 734-770-4421.

## St. John Neumann Confirmation Update

All Saints Catholic School 8th graders seeking Confirmation at St. John Neumann this spring and their parents are required to attend the Confirmation Requirements Meeting on Thursday, September 30, at 6:15 p.m. at St. John Neumann. Please contact Emily Showler at (734) 455-5910 x 111 or [eshowler@sjncanton.org](mailto:eshowler@sjncanton.org) with questions.

# Classroom Happenings

Mrs. Zahari's 8th grade science classes worked on measurements and instrumentation in their labs last week, focusing on accuracy and precision. This lab stressed the importance of choosing the correct equipment, the proper use and care of the equipment, and the correct use of the metric system. The students practiced measuring temperature, mass, volume of liquids, and length--all of which will play a fundamental role throughout the coming year in their study of science.

Mrs. Werner's 6th grade science classes participated this week in the Metric Olympics as part of their review of the metric system! Students completed events such as the Cotton Ball Shot Put, Straw Javelin, Sponge Squeeze, and Marble Grab. These events incorporated the use of science lab equipment that students will use throughout the school year.

Mrs. Werner's 5th grade science classes participated in a lab this week in which they practiced using graduated cylinders to find the volume of liquids, as well as the volume of irregular objects using the water displacement method. This is part of the class unit on the metric system.

# Students Celebrate Constitution Day

All Saints celebrated Constitution Day on Friday with patriotic colors and a variety of special classroom activities. Students and staff members came to school in red, white, and blue, and participated in assignments that highlighted the U.S. Constitution. In junior high social studies, Mr. Lilienthal's 7th graders worked on a Constitution crossword puzzle, while his 8th grade classes charted the compromises that went into the development of the Constitution. First graders colored booklets about the Constitution, and Mrs. MacLellan's 2nd graders formulated their own classroom Constitution, signed by every student. Third grade classes engaged in an escape room activity to "unlock" the Constitution, and Mr. Cristof's 5th and 6th grade social studies classes worked in groups to learn more about the document. The 6th graders will even be completing their own Classroom Bill of Rights. Campus Minister Mrs. Jenkins used today's morning arrival time to focus on her "Good Morning Ministry," where she greets students with a small treat and a kind word to start the day.

# Bonfire/Hayride Is October 8

On Friday, October 8th, please join ASCS for a fun fall evening at Three Cedars Farm! Please visit the barnyard play land, take a wagon hayride to the corn maze, or enjoy the bonfire. All of the fun starts at 6:00 p.m. and continues through the evening, so join us anytime from 6:00 p.m. to 9:00 p.m.

Due to COVID-19, we will continue with a few changes to this year's event:

- Just like school, if you are experiencing any COVID-19 symptoms, please do not attend the event.
- We have 2 bonfire sites.
- At the bonfire, if you want to wear a mask then please feel comfortable to do so.
- The event is pre-order and on-line only (no checks or same day registration).
- We will distribute the wristbands on Monday, October 4th prior to the event via the homeroom class of your oldest child (Three Cedars Farm does not replace/refund lost wristbands).
- The cost of the ticket does not include cider and donuts. The cider and donut hut remains open during our event for you to visit.

Last year, Three Cedars Farm had a slight increase for the event of \$2/person. Since we are not including cider and donuts, the cost of the ticket is \$10/person and not \$12/person. Children age 2 and under are free. For example, a family of 4 without a child age 2 and under is \$40. A family of 4 with 1 child age 2 and under is \$30.

Please order your tickets online at [www.allsaintscs.com/events](http://www.allsaintscs.com/events) no later than Wednesday, September 29th. The event is rain or shine. If you have any questions, please contact Amy or Todd LaJoy at [atlaJoy07@gmail.com](mailto:atlaJoy07@gmail.com).
