Students attend weekly Mass and are provided with opportunities to pray through each day.

ACADEMIC DISCIPLINES

All Saints Catholic School uses the Core Knowledge Sequence as its curriculum base. The Core Knowledge Sequence goes beyond the State of Michigan and Common Core State Standards by providing a cumulative, coherent, and content-specific foundation of knowledge that continues to build every year in each grade level. Academic content learning supported by the Core Knowledge Sequence includes:

- English Language
- Literature
- Mathematics
- Science
- Social Studies and History
- Visual Art

ACADEMIC HONESTY

All Saints Catholic School considers cheating or academic dishonesty a serious violation of school rules. No copying or plagiarism is acceptable. If quoting others in academic material, students must cite their sources. The All Saints academic honesty policy includes, but is not limited to:

- Receiving or providing information during a test or for a test.
- Using material on tests when the teacher has not given permission to do so.
- Violating the teacher's testing rules and procedures.
- Using somebody else's work or ideas without proper credit (plagiarism).
- Using or copying another student's assignment to turn in as your own work.
- Allowing other students to use your work on assignments with the exception of specific group, lab, or collaborative projects.

Students who are in violation of academic honesty will receive an automatic demerit and deduction of grade and/or automatic zero for the assignment. Continued issues of academic dishonesty will result in further disciplinary actions including suspensions and possible expulsion.

PROMOTION AND RETENTION

Promotions and retentions are based on each student's academic, physical, social, and emotional growth and involve consultation with parents, teacher(s), administration, and any other support personnel involved with the student throughout the year.

Retention will be considered for the following reason(s):

Failure of 2 or more core classes (language arts, math, religion, science, and/or social studies)
Emotional, social, and/or developmental needs of the child

Parents will be notified well in advance before a final decision is made, however, the ultimate decision to retain or promote remains with the school. Parents/guardians will have to abide by the school's recommendation.

CLASS PLACEMENT

Students are placed in homerooms based on many factors. The male-female ratio, leadership, academic, and behavioral needs of the children are included in determining class make up. It is not appropriate for parents to request a specific teacher. We will not reassign students once the class lists are posted.

ACADEMIC SUPPORT

Math and Language Arts Support (Kindergarten - Grade 3)

Individualized and small group academic support for reading and math is provided to students in grades K-3 on the basis of need. Our math and language arts support staff work directly with teachers to identify, evaluate, and provide direct support to students experiencing learning challenges. Using research-based assessments, student-centered intervention plans, and ongoing progress monitoring, those students who need additional support receive individualized instruction to support their unique learning needs.

Academic Support Team (Grades 4 - 8)

Individualized and small group academic support is available for students in grades 4-8 on the basis of need. Our support staff work together and with teachers to identify and support students with learning challenges or learning plans. Teachers implement strategies to support students in the classroom and additional support is provided on the basis of need and availability to help each student achieve to their potential.

ACCOMODATION PLANS

All Saints Catholic School provides accommodations to students with a range of documented needs to ensure their academic success. Accommodation plans are developed for students diagnosed with a learning difference and/or medical condition that require additional supports in the classroom.

In order to access accommodation supports at All Saints Catholic School, parents need to submit

documentation of the diagnosis and all psycho-educational testing and/or medical reports to the Assistant Principal. Once the testing report, diagnoses, and any recommendations have been reviewed, the Assistant Principal will meet with parents to discuss the accommodations that can be provided. Accommodations offered are based on a documented need in the testing report, All Saints Catholic School's assessment of a student's needs, and/or the ability of All Saints Catholic School to provide a requested accommodation. Requested accommodations and recommendations resulting from a private psycho-educational evaluation or medical assessment are not guaranteed. Testing reports will remain in the student's confidential accommodation file.

The Plymouth-Canton Public School District also provides several specialized services to All Saints Catholic School students. Students may qualify for one or more of these services after they have been evaluated by the Plymouth-Canton Public School District. These services include speech and language therapy, hearing and vision supports, occupational therapy, and teacher consultation. Parents wanting to have their student evaluated by the Plymouth-Canton Public Schools can coordinate this request through the All Saints Catholic School Assistant Principal.

**Please note that parents in the process of having their student undergo private testing, and would like teachers to complete rating scales, checklists, and/or provide other types of documents will need to complete a release of information consent form. Parents are also asked to include with these documents the specialist's name, mailing address, and fax number. Once teachers have completed the requested forms, they are required to return them directly to the receiving psychologist or physician due to HIPAA privacy and confidentiality laws.

TESTING

As a part of the Archdiocese of Detroit, ASCS will administer the STAR Renaissance testing in grades K-8 (3 times per year).

Eighth graders planning to attend a Catholic high school are required to take the High School Placement Test (HSPT). All other eighth graders are strongly encouraged to take the HSPT.

FIELD TRIPS

All field trips for early childhood through 8th grade are planned by teachers with direct correlation to spiritual objectives or academic standards. Field trips are privileges and students may be denied participation if they fail to meet academic and/or behavioral requirements. Students are subject to the rules and guidelines established by All Saints Catholic School, including conduct and attire. Safety is the top priority.

HOMEWORK

All students (K-8) have some type of homework every night or several times during the week. Students are encouraged to read daily to develop independent reading skills and an appreciation for reading.

All students in grades 3-4 use homework planners designated by the school and parents are expected to sign planners each day. Students in grades 5-8 are required to utilize some type of homework planner. Homework in all grades may be given that require work over the weekend.

PARENT/TEACHER CONFERENCES

Formal Parent/Teacher Conferences are held in November. However, parents are encouraged to arrange for a conference with the teacher(s) at any time during the school year. Parents may also choose to communicate with administration and teachers through email. All Saints maintains the policy that if parents have a particular problem or concern with a teacher, they must address the problem or concern immediately and directly with the teacher first. If issues are not resolved, the parent may request a meeting from the administration to be scheduled with the teacher, parent, and appropriate support staff members as well as administration.

All Saints Catholic School respects the dignity of all students. It does not discriminate on the basis of race, nationality, ethnic origin, or sex, as required by the terms of Title IX of the Education Act of 1972, Public Law 92- 318 (as amended by Public Law 93-568).

It is critical that you notify the office of every absence. Parents neglecting to call will be called at home or at work.

CHRONIC TARDINESS POLICY

Tardiness: A student entering class late not only impacts their own learning, but also disrupts the flow of the classroom and impacts the entire community of learners. We recognize there are times when unexpected events occur that cause students to be late. We also acknowledge that parents play a large part in the punctuality of the students, but students are part of the team as well and must do their part to be at school on time. Our tardy policy is as follows:

Assessed Quarterly:

- 5th Tardy – Letter home to parents
- 10th Tardy – Both parents/guardian(s) will be required to meet with administration to develop a corrective plan of action to address chronic tardiness.

Assessed Annually:

- 15 or more tardies during course of school year without a medical doctor's note, both parents/guardians(s) will be required to meet with administration to develop and sign a corrective plan of action to address significant number of absences.

CHRONIC ABSENTEE POLICY

Absences: Students are required to attend school unless unable to do so due to illness, an injury which impedes their ability to be at school, or when otherwise prearranged with school personnel. In cases where chronic absences occur without a doctor's note, the following policy will apply:

Assessed Quarterly:

- 5 Absences without medical doctor's note- Letter home to parents
- 10th Absence - Both parents/guardian(s) will be required to meet with administration to develop a corrective plan of action to address chronic absences.

Assessed Annually:

- 15 or more absences during course of school year without a medical doctor's note, both parents/guardians(s) will be required to meet with administration to develop a corrective plan of action to address significant number of absences.

VACATIONS

Since class explanations, discussion, peer interaction, and instructional continuity are important, parents are asked NOT to take their children out of class for extra vacation days. Every effort should be made to utilize the current, published vacation schedule. Classwork/homework will not be provided prior to vacations.

Communication

COMMUNICATION TO STAFF

All messages to personnel will be delivered in a timely manner. Replies to inquiries directed to teachers will be returned within 24 hours (48 hours for weekends), if feasible. An appointment is the appropriate avenue for

teacher meetings. Teachers cannot be interrupted in their classrooms or in the hallways before/after school . Please call or email to make an appointment.

All questions and concerns regarding student issues are to be directed to teachers prior to contacting administration.

COMMUNICATION TO PARENTS

Every Monday our school newsletter is posted under the parent section of the school website (www.allsaintscs.com) and is emailed to each family's primary email address with important school information.

If a student needs to contact his/her parent/legal guardian, the call will be made from the school office.

PARENT RESPONSIBILITIES

The primary responsibility for the education of the children belongs to parents. The greatest single factor in building a child's intellectual, cultural, moral, and spiritual attitude is the example you provide in your home. Parents are responsible for:

- Supporting school policy and the administration and teachers
- Being an ambassador of goodwill in the community by building up the reputation of All Saints
- Modeling and supporting your children's practice of the Catholic faith by actively participating in one's parish
- Requiring your child to complete all assignments
- Insisting that your child obey the regulations and principles of good behavior
- Following the policies and procedures stated in the handbook

FACTS

Information regarding attendance, behavior, student information, report cards, and grades can be found on the FACTS Portal. Parents and students in grades 3-8 may view grades anytime at factsmgt.com by using the login and password created during enrollment. Please check this regularly.

Discipline & Policies

CATHOLIC CODE OF CONDUCT

Within a Catholic school setting, the spirit of Christ-like charity, respect for authority, and mutual cooperation are essential to the learning environment. As a faith community, All Saints Catholic School encourages an atmosphere conducive to learning not only academic skills but Catholic values, as well. We believe it is important to work with parents to encourage the development of responsible, respectful students, and we support positive peer relationships, as well as foster positive teacher-student relationships. The role of the principal/administration, staff, and faculty is to work with students and parents to assist students in

developing strong Christian values to be used throughout life. The following virtues guide our model for teaching students the habits of virtuous thinking and behaving.

Respect

Students demonstrate reverent consideration in their words and actions toward people and property.

Kindness

Students speak, think, and act in a way which shows compassion and care.

Trustworthiness

Students perform actions that restore and maintain trust.

Responsibility

Students accept the consequences of their words and actions, intentional, and unintentional.

Generosity

Students participate in self-giving and acts of charity.

Prudence

Students exercise sound judgment, reasoning skills, and seek out advice when needed in order to determine the "right" course of action.

Perseverance

Students persist to complete tasks, even when that task is hard or frustrating.

Temperance

Students demonstrate self-control in qualities such as orderliness, modesty, humility, and honesty.

STUDENT CODE OF CONDUCT

All Saints students are expected to conduct themselves in a manner consistent with our Catholic teachings and values, therefore students will:

- Be honest and committed to integrity
- Be respectful and courteous toward all teachers and adults
- Refrain from harassment of any kind
- Use appropriate language
- Speak respectfully to and about others
- Respect all school and individuals' property
- Refrain from any deliberate disruption
- Demonstrate good sportsmanship when engaged in all school-sponsored co- and extra-curricular activities
- Not engage in any physical or verbal contact with another student which could be interpreted as an inappropriate display of affection. Such conduct is prohibited on school grounds or at school sponsored activities
- Not sell, trade, or purchase items from other students
- At all times, whether at school or in the community, conduct themselves in a manner which reflects respect and the Catholic principles of All Saints Catholic School.

DISCIPLINE (EARLY CHILDHOOD- GRADE 3)

Our self-contained classrooms create individual classroom management systems used within each room.

DISCIPLINE (4TH-8TH GRADE)

DEMERITS AND DETENTIONS are tools employed when infractions occur that require more than a brief verbal intervention or warning by staff. A demerit can be issued when any violation to the student code of conduct occurs. When a student receives a demerit, teachers/staff will submit the violation into the school database. Parents will receive an email communication and will have access to any documented demerits through the FACTS Parent Portal. After a student receives three (3) demerits, the student will be required to serve detention. Detentions are held during lunch/recess or after school depending on the grade level and reset every quarter.

Please Note: Depending on the frequency and severity of offenses, the following privileges may be suspended:

- attending assemblies, field trips, or class parties
- participating in after-school clubs and/or activities
- participating in CYO practices and/or games

SUSPENSIONS/EXPULSIONS are enacted when the seriousness of the student's action results in the justification of this level of consequence. Serious offenses that could justify suspension include the use of physical violence or verbal threats, sexual harassment, causing purposeful damage to school or another student's property, repetitive disciplinary issues, and/or the willful disobedience of directives issues by a teacher or staff member. If a student is suspended, the following activities are also suspended for the duration of the suspension:

- attending assemblies, field trips, or class parties
- participating in after-school clubs and/or activities
- participating in CYO practices and/or games

PROGRESSIVE DISCIPLINE

Progressive discipline is a philosophy that reflects what Jesus teaches about self-discipline, reconciliation, community, and inclusivity. Jesus seeks for us to have a deeper understanding of right and wrong that moves beyond basic morality and calls upon us to be disciples of faith.

Virtuous Supports and Discipline Progression

Progressive discipline includes a range of PROACTIVE STRATEGIES that facilitate personal responsibility and growth in virtuous thinking and behaving. These are largely interwoven throughout the daily curriculum in our classrooms, counselor guidance lessons, classroom rules and management strategies, teacher modeling, school-wide morning announcements, and the practicing and teaching of the Catholic faith.

When challenging behavior occurs, INTERVENTIONS are put into place to help students understand the impact of their choices on others and the learning environment, explore and provide positive alternatives within a virtuous framework, and when needed, make amends. Minor incidents generally will be handled on the spot in classrooms, the cafeteria, playground, in the halls, etc..

DISCIPLINARY CONSEQUENCES that help students appreciate the seriousness of their actions are part of this learning process. Progressive discipline calls for the consideration of a wide range of appropriate measures to be used for the unique needs of the student and situation. This includes administration/teacher determining whether the incident is a MAJOR or MINOR INFRACTION and taking into account any relevant

mitigating factors. Consequences are enacted with the addition of SUPPORTS that will be needed to assist the student in making changes to challenging behavior(s). Supports may include the creation of a positive behavior or support plan.

INDIVIDUALIZED DISCIPLINE

Individualized discipline means that All Saints administrators, teachers, and staff will carefully and thoughtfully consider the range of factors before determining interventions or consequences. Three criteria shall be applied by the staff in assessing challenging behaviors and determining appropriate consequences:

- The unique traits of the student and his/her circumstances.
- The nature and severity of the incident.
- The impact of the behavior on the school environment.

Mitigating Factors

The following mitigating factors will be considered when determining the seriousness of the behavior for which the student has engaged:

- The age of the student.
- The student's ability to control his/her behavior.
- The student's ability to understand the foreseeable consequences of his/her behavior.
- Whether the student's presence poses an unacceptable safety risk to others.

BULLYING POLICY

All Saints Catholic School has built its school mission, and resulting school policies, around the teachings of the Catholic church. Catholic social teaching is very clear on the value of human life and dignity. All Saints recognizes not only the right of our students to learn in a safe environment, but the joint duty of its staff, students, and families to create a community that exemplifies reverence for all of God's children. Therefore, it is the policy of All Saints that any form of bullying or harassment is strictly prohibited and that a formal process is in place to prevent, report, address, and track bullying incidents in our school community.

DEFINITIONS AND CRITERIA

BULLYING: Any gesture written, verbal, graphic, or physical directed toward one or more students, that ASCS administration deems can be reasonably perceived by an individual as dehumanizing, intimidating, hostile, humiliating, threatening, or otherwise likely to evoke fear of physical harm or emotional distress. Bullying is intentional, repetitive, and often involves an imbalance of power between the bully and his/her target. Retaliation against an individual(s) who reports bullying or that cooperated with a bullying investigation, will also be identified as bullying.

BULLYING SUBTYPES

Harassment: Physical or verbal abuse of a person because of his/her race, ethnicity, religion, age, gender, disability or any other legally protected status (actual or perceived.) Authorities will be notified by All Saints of harassment incidents, as necessitated by law.

- Cyberbullying: A form of harassment or bullying that's using electronic technology.
- Verbal Bullying: Bullying through name calling, put-downs, or verbal threats.
- Physical Bullying: Bullying that involves physical contact (e.g., hitting, pushing, kicking). Relational Bullying: Bullying behavior that uses social means, such as the spreading of rumors or gossip in order to socially isolate, humiliate, or exclude another.

PROCEDURE

All Saints will institute a myriad of methods to prevent, identify, and address bullying among students. These will include a comprehensive education and prevention program, a clearly defined code of conduct/discipline system, and timely method for investigating, responding, and tracking bullying reports.

All Saints Bullying Prevention Program will consist of three main components:

- Educational program to enhance the ability of staff, students, and parents to identify and respond to bullying incidents within the school.
- Clear rules for student behavior and sanctions for students who violate the rules and guidelines. This will include multiple easily accessible means for reporting bullying incidents to school administration.
- Expedient process for ensuring all reported bullying incidents are documented, effectively addressed, and tracked by school administration.

ALL SAINTS DISCIPLINE POLICY AND BULLYING POLICY

All Saint's Code of Conduct and Discipline Policy will be applied to incidents of substituted bullying. Additionally, when bullying is being addressed as part of a discipline issue with a student, measures may also need to be put in place to ensure the student engaging in bullying actions has taken responsibility for his/her actions, has developed empathy for the targeted student and remorse for the bullying behavior, and that non-bullying behavior alternatives are taught. Remedial actions may often therefore include item such as a student developing a letter of apology to his/her target, meeting(s) with the school counselor/principal, or counselor meetings with the targeted student to ensure bullying has not continued. The remedial response to a substantiated bullying incident(s) will ultimately be determined after relevant factors are taken into consideration, and will include, but is not be limited to; the nature and severity of the incident, the developmental age of the students involved, a student's history of problem behaviors, surrounding circumstances, and the relationship between the parties involved.

Reporting, Responding, and Tracking Bullying Incidents:

Administrative anti-bullying protocol will require that all reports of bullying or harassment incidents be investigated, addressed, documented, and tracked.

REPORTING BULLYING/HARASSMENT INCIDENTS

Any staff member receiving a report of bullying will document it on a Bullying Reporting Form (BRF). All Saints staff that witnesses a bullying or harassment incident is also required to complete a BRF. BRFs are to be submitted to the principal on the day the incident occurred or was reported to him/her. All members of the school community, including parents, students, volunteers, and visitors are encouraged to report any act that maybe in violation of this policy. Anyone wishing to make a report can obtain a copy of the BRF online or from the school. Verbal or written reports not on a BRF are also acceptable, and can be made by calling or writing the school counselor, teacher, assistant principal, or principal.

Anyone wishing to make an anonymous report can do so by leaving the section marked "Your Name" blank.

RESPONDING TO BULLYING/HARASSMENT INCIDENTS

Once a BRF has been submitted, the incident will be either investigated by the principal or a staff member designated by the principal (e.g., assistant principal or school counselor.) The responsible staff will then provide notification of the incident to the parent or legal guardian of the potential bullying victim and the identified perpetrator of bullying behavior. The original BRF will remain in the school counseling office.

The investigating staff will have seven (7) school days to investigate and implement a response plan. An Investigative Summary Form will be used to document and track all follow-up conducted in response to each BRF. Anonymous reports will be investigated, but formal disciplinary action may not be based solely on the basis of an anonymous report. Witnesses to bullying incidents will be required to complete a written statement. All Saints prohibits any person from falsely accusing another as a means of bullying or harassment, and disciplinary action will be taken in such instances.

When a bullying incident is substantiated, and disciplinary and remedial action deemed necessary, those will be carried out in accordance with the disciplinary policy. Administrative, classroom, and other school changes will be made as deemed appropriate and/or necessary. All state and federal law pertaining to the reporting of incidents of harassment will be followed. Parents of the students involved will receive notification from the school of the outcome of the investigation into the bullying incident (in compliance with current privacy laws and regulations). All response plans must be approved by the principal prior to implementation and parent notification. The school counselor will be given a copy of the investigative findings and remedial action taken.

TRACKING BULLYING/HARASSMENT INCIDENTS

The school counselor will be responsible for tracking all BRFs. Each BRF will be logged into a bullying incident file for that academic school year. Semi-annually the counselor will produce a bullying incident report for the principal that will include number of BRF's received each month and a breakdown of the subtypes of bullying reported.

SEXUAL HARASSMENT

The Archbishop officially promulgated the following policy on sexual and other forms of illegal harassment for all schools.

It is the policy of the Archdiocese and All Saints to make every effort to provide an educational environment, as well as a work environment, free from all forms of harassment. This policy applies to the actions of all faculty, staff, and students at All Saints as well as others who may be in a working relationship with the school. Each individual faculty, staff member, student, or others who are in a working relationship with the school are entitled to work/attend school in an environment free from discriminatory practices, including sexual and other forms of illegal harassment. All will be held to standards of conduct which ensure that the school is free from sexual and other forms of illegal harassment.

The first two weeks of school will be viewed as a “learning” experience of uniform expectations. Students out of uniform will receive uniform reminder slips, which allows for parents and students to remedy any issues before uniform violations begin. Parents are responsible to submit information each year to the main office. The office will copy this information into the database, post in all necessary locations (sick room, lunchroom, etc.), and provide plans to the homeroom teacher.

PEANUT FREE CLASSROOMS (PRESCHOOL-GRADE 3)

At the beginning of each year, certain classrooms in grades preschool through grade 3 will be designated "allergy-sensitive" classrooms. Signs will be clearly posted and information will be sent home to all parents regarding policies within the classroom.

- Families unable to complete hours will be given an option to contribute money in lieu of service hours at a rate of \$20 per hour.
- Service hours are self-reported. Upon completion of service activities, parents are responsible for reporting their hours.
- Submitting service hour reports can be done electronically through FACTS parent portal.
