## Test to Stay (TTS) Request and Testing Consent Form

Pursuant to authority granted to local health departments by the New York State Department of Health, the Monroe County Department of Public Health is authorizing the establishment of a limited Test to Stay (TTS) option in all public, charter and private Monroe County Pre-K through 12 schools.

In Monroe County, TTS is defined as follows: Students who are unvaccinated against COVID-19 and are exposed to COVID-19 may attend in-person classes. As well as extracurricular activities such as sports, clubs and other activities taking place after school. Participants must (1) remain symptom free, (2) the school must receive the consent below for the student to undergo daily testing and (3) the student tests negative each school day during their quarantine period.

If your child meets the above requirements and you would like to opt them into the TTS protocol, please fill out the following information to request and consent to testing, sign and date the form and return it to your child's school nurse.
