Building Based Goals

Focus Area: Instruction & Curriculum (School Based Planning Teams – Grade Level/Department Meetings - Supervision)

Goal(s): Kindergarten – Literacy

- Kindergarten students will be able to identify all 26 uppercase and lowercase letters by the end of the school year
- Kindergarten students will be able to fluently decode CVC words.

Action Plan <i>Include targeted instructional practice to examine (Problem of Practice- include instructional implications)</i>	Plan to Assess (Who/When)		Mid-Year Goal & Progress (Short Term)	End of the Year Goal & Progress (Long Term)
	How will it be monitored?	Who is responsible?		
-Focus on school readiness skills to better implement instruction effectively. -Integration of early school readiness skill with a letter a day. -Multi-sensory play-based experiences to letters and letter sounds. -Utilize RTI teacher/TOSA/TA/Kinder TA to collaboratively plan intervention instruction. -Utilize LN and LS inventories to target instruction. -Utilize Heggerty instruction and assessments to drive instruction. -Use small groups to target specific LN and LS -Create an updated assessment(s) to formally assess blending/decoding (ex: QPS list #3) -Consistency in assessment administration/scoring -Implementation of CKLA phonics program -Utilize Data Wise protocol to analyze data and plan for next steps.	-Letter Name/Sound Inventory -CKLA	-Classroom Teacher - Interventionist -Intervention TA -Kindergarten TA	Goal: Students will be able to identify 26 letter names and sounds with 50% accuracy.	Goal: Students will be able to identify 26 letter names and sounds with 100% accuracy
			Updated Progress:	Students will be able to orally blend 2-3 sounds with teacher support.

Focus Area: Instruction & Curriculum (School Based Planning Teams – Grade Level/Department Meetings - Supervision)

Goal(s): Kindergarten – Mathematics

- Kindergarten students will be able to identify and represent (ex: 1:1 correspondence) numbers 0-20 by the end of the school year.

Action Plan <i>Include targeted instructional practice to examine (Problem of Practice- include instructional implications)</i>	Plan to Assess (Who/When)		Mid-Year Goal & Progress (Short Term)	End of the Year Goal & Progress (Long Term)
	How will it be monitored?	Who is responsible?		
<ul style="list-style-type: none"> • Focus on number identification 0-5. Once mastered, introduce numbers 6-10 with five groups 	Teacher created probes and assessments	Classroom teacher Interventionist	Goal: Students will be able to count to 50 with 80% accuracy.	Goal: Students will be able to count to 100 with 90% accuracy.

<ul style="list-style-type: none"> • Solidifying numbers 0-10 through representation and 1:1 correspondence • Introduce numbers 11-20, looking for the base 10 and extra ones (1:1 correspondence) • Integration of early school readiness skills with numbers. • Multi-sensory play-based experiences with numbers • Workshop model to create small group instruction • Use of inventories to target instruction • Utilize RTI teacher and TA/TOSA/Kinder TA to collaborative plan intervention instruction. <p>-Create/adopt assessments to accurately assess early numeracy skills -Utilize Data Wise protocol to analyze data and plan for next steps</p>		-Kindergarten TA	Students will be able to identify numbers 0-10 with 80% accuracy. Students will be able to identify the greater number in a set with 80% accuracy and fluency. Students will be able to identify the missing number in a number string with 80% accuracy and fluency.	Students will be able to identify numbers 0-20 with 90% accuracy. Students will be able to identify the greater number in a set with 90% accuracy and fluency. Students will be able to identify the missing number in a number string with 90% accuracy and fluency.

Goal(s): 3rd Grade – Literacy				
<ul style="list-style-type: none"> Students in Grade 3 will increase their reading fluency through systematic instruction and progress monitoring. 				
Action Plan <i>Include targeted instructional practice to examine (Problem of Practice- include instructional implications)</i>	Plan to Assess (Who/When)		Mid-Year Goal & Progress (Short Term)	End of the Year Goal & Progress (Long Term)
	How will it be monitored?	Who is responsible?		
<ul style="list-style-type: none"> Student lead fluency progress monitoring and goal setting Utilize Data Wise protocol to analyze data and plan next steps of instruction, implement and assess Utilize current instructional model to guide planning and execute lessons. Utilize the RTI model to implement interventions and targeted instruction by setting appropriate and measurable goals. (ex: fluency bursts) Small and whole group instruction will incorporate phonemic awareness and phonics instruction for all students. Provide explicit fluency instruction during tier 1 instruction. Provide ample time and opportunities to explore their interests through independent reading. 	AimsWeb Fluency Assessment and Probes	Classroom Teachers, Intervention Teacher, Classroom Team	Goal: 75 % of students will read 105 wpm with 3 or fewer errors.	Goal: 90% of students will read 119 wpm with 3 or fewer errors.
	PAST if needed Student lead fluency PM			Updated Progress:

Focus Area: Instruction & Curriculum (School Based Planning Teams – Grade Level/Department Meetings - Supervision)

Goal(s): 3rd Grade – Mathematics

- Students in Grade 3 will increase their proficiency in the area of number sense through systematic instruction.

Action Plan <i>Include targeted instructional practice to examine (Problem of Practice- include instructional implications)</i>	Plan to Assess (Who/When)		Mid-Year Goal & Progress (Short Term)	End of the Year Goal & Progress (Long Term)
	How will it be monitored?	Who is responsible?		
<ol style="list-style-type: none"> Utilize the RTI model for enhanced differentiation to close gaps for students. Utilize current instructional model to guide planning and execute lessons. Utilize Data Wise protocol to analyze data and plan next steps of instruction, implement and assess Provide opportunities for math talk and productive struggle while maintaining high expectations for all. Explicit vocabulary instruction in Administer Fact Fluency assessments to gather information of strengths and to inform planning. Daily math fluency sprints with student goal setting and tracking 	Fact Fluency Assessment	Classroom Teacher	Goal: 75% or higher on Fact Fluency Assessment Untimed (+/-)	Goal: 80% or higher on Fact Fluency Assessment Untimed (mult/div)
	MEX Unit Assessment	Intervention Teacher	All students score 80% or higher on unit 4 MEX assessment	All students score 80% or higher on unit 4 MEX assessments
	Classroom Observations	Classroom Team		All students will grow 1 or more years on I-Ready by June. (Achieve their typical growth)

Focus Area: Well Being of Self and Community (SEL/Restorative Practices) (Faculty/Department - Supervision)

Goal(s): SEL

Staff in K-3 will pilot Caring Communities into multiple classrooms/settings to provide access to tier 1 SEL instruction in grades K-3.

Staff will gain knowledge around restorative practices to implement within their classroom settings.

Staff in grades K-3 will use a behavior referral to support data collection of behavioral needs and support students with restorative practices.

Action Plan <i>Include targeted instructional practice to examine</i> (Problem of Practice- include instructional implications)	Plan to Assess (Who/When)		Mid-Year Goal & Progress (Short Term)	End of the Year Goal & Progress (Long Term)
	How will it be monitored?	Who is responsible ?		
<ul style="list-style-type: none"> ▪ Principals to introduce behavioral referral document to staff. Implementation to begin at start of school year. <ul style="list-style-type: none"> o TOSA's to turnkey document training to all lunch/recess monitors ▪ Continued professional development tied to restorative practices and consistent implementation into the classroom and during more unstructured times (lunch/recess). ▪ Create a community of teachers interested in piloting Caring Communities across a tier 1 setting. <ul style="list-style-type: none"> o Provide resources and professional development tied to Caring Community resource. o Create a schedule of meetings to support implementation across classrooms 	Classroom observations	Principals	Goal: Faculty, Staff and Support Staff receive training and resources in a restorative approach to help support behavioral needs.	Goal: Faculty, Staff and Support Staff accessing and using elements of restorative practices to support student behavior and reflection.
	Scheduled meetings/minutes to elicit feedback from committee members Use of behavior referral document	TOSA (Lead Teacher) Supervisor of Counseling, Student Equity and Wellness		

Focus Area: Implementation Systems (curricular or instructional shifts/grade level transitions/professional growth)

Goal(s):

- Staff will understand the West Irondequoit Instructional Model and use the model to impact classroom instruction.
- Staff will use the data wise process to inform grade level instruction.

Action Plan <i>Include targeted instructional practice to examine</i> <i>(Problem of Practice- include instructional implications)</i>	Plan to Assess <i>(Who/When)</i>		Mid-Year Goal & Progress <i>(Short Term)</i>	End of the Year Goal & Progress <i>(Long Term)</i>
	How will it be monitored?	Who is responsible?		
1. SBPT and faculty meetings will focus on the Instructional Model <ul style="list-style-type: none"> a. Break down components of the instructional model. b. Provide strategies and supports to meet the different components within the instructional model 	Classroom observations/ Walkthroughs Reflection during post observations that apply to the instructional model.	Principals	Goal: Staff will immerse themselves in research regarding the Instructional Model components through faculty meetings.	Goal: Classroom visits and observations will reflect all aspects of the Instructional Model.
