**Advisors:** Mrs. Zahariev and Mrs. Maldonado

**Meetings:** Two Wednesdays a month at 3:00 pm in the LGIC.

**Description:** Mosaic Club emphasizes building empathy, resiliency, and community. We celebrate diversity and work to educate against stereotyping, prejudice, and discrimination. Annual events include attending conferences such as ROC2Change where students from Monroe County schools engage in facilitated dialogue with peers related to race, racism, and privilege. We work to develop plans to **be** the change!

## **NATIONAL HONOR SOCIETY**

**Advisor:** Ms. Laraby

**Meetings:** 3<sup>rd</sup> Thursday of the month

**Description:** The IHS chapter of the National Honor Society promotes the recognition of students who achieve outstanding accomplishments in the areas of scholarship, character, leadership and service. Eligible students are evaluated by a faculty committee in the second semester of their Junior year. To be eligible, a student must have an academic average of at least 92.0 following the first semester of Junior year. The committee then considers the quality of the student's work within the other three criteria, utilizing staff feedback and the student's activity sheet. Once inducted, NHS members are expected to engage in club meetings and activities and to perform a minimum number of service hours each semester to maintain their membership. Please refer to the NHS brochure (available in the Counseling Center) for more detailed information.

## **ODYSSEY OF THE MIND**

**Advisor:** Mr. and Mrs. Lenzi

**Meetings:** Held at coaches/ team members homes (following all COVID 19 mandates/procedures/screenings if required). Teams will meet often from October-May for 3-20 hours per week depending on need. Teams will meet both in person and virtual. All Tournaments will be judged virtually and or in person depending on the current COVID 19 mandates and guidelines. Tournament dates TBD but will be from March-May (Regionals, States, Worlds)

**Description:** The Odyssey of the Mind Program teaches students to learn creative problem-solving methods while having fun in the process. By tapping into creativity, and through encouraging imaginative paths to problem-solving, students learn skills that will provide them with the ability to solve problems. The Odyssey of the Mind Program teaches students how to think divergently by providing open-ended problems that appeal to a wide range of interests. Students learn how to identify challenges and to think creatively to solve those problems. They are free to express their ideas and suggestions without fear of criticism. The creative problem-solving process rewards thinking "outside of the box." While conventional thinking has an important place in a well-rounded education, students in OOTM also learn how to think creatively and productively. The Odyssey of the Mind Program also reinforces the current STEAM instruction within the district classrooms.
