Dear Parents/Guardians of West Irondequoit Central School students,

The West Irondequoit Central School District is proud to announce the activation of West Irondequoit's Infinite Campus Parent Portal (grades K-12). This portal is a communications tool providing parents and students secure access to data related to the student that is managed within Infinite Campus. Access to contact information, attendance, teacher email addresses, and student's report cards are all available through the parent portal as soon as you are able to create an account.

To create your account you will need your Campus Portal Activation Key and Internet access. Only parents and guardians designated with legal rights to student records may receive a Parent Portal account. Each individual parent/guardian, with such rights, will receive their own separate account.

Once you have your activation key, follow the steps below to set up your account.

1. Visit www.westirondequoit.org. Click on "Infinite Campus" found in Quick Links.

2. When the next page comes up Select [Infinite Campus Parent Portal Login Link](#) line item.

3. IC link: <https://www.ic.westirondequoit.org/campus/portal/westIrondequoit.jsp>

4. Click the Help button; Select "click here" option saying "If you have been assigned a Campus Portal Activation Key".

5. Enter your Campus Portal Activation Key.

6. You should see "Campus Portal Account Creation Successful" and your name. Create your username and password. Strong passwords are required. PLEASE REMEMBER THIS INFORMATION.

7. Log into the Parent Portal.

8. Once your account has been set up you can access Infinite Campus quickly by clicking on the Infinite Campus link on the District website and entering in your User Name and Password.

If you have any questions, please contact your child's building secretary or principal.
