

Welcome Back, IHS!

We are excited to welcome all students and staff back to campus. Our Link Crew members will wear their Link Crew shirts tomorrow to assist anyone who is new to IHS or returning to campus. In addition, our security members, administrators, and youth advocates will be visible during passing times to assist with any questions.

LUNCHES:

Our lunch spaces are set up to accommodate 6 feet of spacing with seniors in the library, Juniors in the Performing Arts Center, and Freshmen/Sophomores in the large and small cafeteria. Our campus is closed for Senior lunches, for the first 2 weeks, only. This allows us time to get everyone settled and used to their routines. We fully plan to open campus, for our seniors as part of a long- standing tradition. Please remind seniors to complete the signature form required to participate in this privilege. Forms are available in the AP offices and online, under the Parent Tab.

LOCKERS:

Students may request a locker in the main office and will be assigned one by the end of the day. Locker information will also appear in Infinite Campus.

PARENT TAB:

Please use our "Parent Tab" located at the top of the IHS webpage to access schoolwide information (i.e., bell schedule, school calendar, clubs, principal communication, etc). [IHS PARENT TAB LINK](#)

FRESHMAN T-SHIRT SALES:

This is the final week for sales. The link can be found on the IHS webpage.

QUESTIONS:

If you have questions related to your student's schedule, please email the school counselor; the chart can also be found under the Parent Tab. If you have additional questions, please email one of the Assistant Principals (Mrs. Donk, Freshman last names A-K and Sophomores; Ms. Nelan, Freshmen last names L-Z and Juniors; Ms. Harford, Seniors).

We are looking forward to a successful year!

Be well,
Alecia Zipp-McLaughlin
IHS Principal
