

Right to Refuse Photo, Video of Your Child

There are times when the West Irondequoit Central School District or the media take photographs of and/or video of our students and also interview our students. It could be to publicize an activity or event or to honor achievement. The student photo and/or interview may be used internally or externally outside of the WICSD in print and/or electronic form and/or on the Internet. Sometimes the media simultaneously publishes student interviews and/or pictures on its own sites.

If you do NOT wish for your child to be interviewed and/or your child's photograph to be released/posted and/or his/her name released in print and/or electronic form and/or on the Internet, please sign and return the form below. Additionally, please know that the news media is legally entitled to take photos during events of public interest such as board meetings, athletic events or activity where students are present even if the parent has not granted permission.

The District is required to allow student teachers to videotape themselves providing instruction in a classroom to meet their instruction component for their teaching certification. The video is confidential and is not subject to viewing or disclosure to an individual or entity, other than the student teacher applicant and relevant personnel. This is an exception to parental consent for release of education records under FERPA per New York State Law.
