

The Truman School PTO is an organization consisting of parents/guardians and school staff. Our primary goal is to support Truman School and its students. We do this through volunteering and fundraising. With our fundraising efforts, we are able to provide the school with educational assemblies, gifts to the students and classrooms, books for the school, field day t-shirts and activities, and so much more! Joining the PTO allows you to participate in PTO sponsored events and it provides the funding necessary to run these events. More importantly, it allows you to be a part of broadening the educational and social experiences for the children here at Truman School. Volunteers are needed with a variety of events throughout the year. We have monthly meetings where we discuss up and coming events, activities, & other discussions that may arise. We also have a Facebook page where we put lots of information. If you have a Facebook account please come join us at <https://www.facebook.com/groups/trumanpto/>. For questions, suggestions and to contact the PTO, please send an e-mail to trumanschoolpto@gmail.com.

We hope to see you soon at our next PTO meeting!
