

BARNES & NOBLE
ESCAPE INTO
**SUMMER
READING**

Dear Educator,

For over 25 years the Barnes & Noble Summer Reading Program has celebrated the joy and power of reading, while also reinforcing learning and motivating students to read on their own (as they earn a free book). We're proud to be your partner as we keep kids reading and growing throughout the year.

HERE'S HOW IT WORKS:

- Distribute the reading journal to your students.
- Students pick any book and read at their own pace.
- Students complete the reading journal by listing the eight books they read and describing their favorite part of each book.
- During the months of July and August, they redeem their completed journal for a free book from their local Barnes & Noble store.

Thank you for your support of our Summer Reading Program. Please check back all summer long for events and special offers for readers of all ages!
