July 21, 2021

Dear Parent/Student,

The start of a new and exciting school year is about to begin on Monday, **August 16, 2021!** I hope you and your family are as excited as we are about continuing the “**Tradition of Excellence**” SA3 has come to be known for.

Student Registration begins the week of **August, 2, 2021**. Below are some important items to consider in order to have a smooth registration process.

1. **Register** on the **designated dates and times only**.
2. **If on-line registration is completed**, parent is welcomed to attend, but does not need to accompany the student to campus registration. However, please send a copy of a current **electric bill or contract** with your son/daughter to registration, along with a **signed copy of the on-line registration confirmation page**.
3. **If on-line registration is not completed**, parent must accompany student to campus registration in order to complete the on-line process and provide the required electronic signature. Please note that there will be a limited number of computers available and **you may encounter long lines and wait times to access a computer**. Again, please bring a copy of a current **electric bill or contract** to registration.
4. Submit a **2021-2022 Meal Application**, found under the Child Nutrition page on our District Website.
5. **Immunization** records should be up-to-date.
6. All **fines** for textbooks, technology items, library books, cafeteria, etc. must be cleared before student schedules are released.
7. Finally, students must be in compliance with **extracurricular dress code policy** during registration.

We look forward to seeing you at registration, and to a challenging and rewarding school year. Please feel free to contact us with any questions or concerns you may have.

Sincerely,

Ivan Karr, Principal
