Dear Parents of Shimotsu Shining Students:

We would like to work as a team this year to communicate with you on the needs of our campus, just as many of you have done with us about the needs of your children. Due to the fact that we have several students at Harry Shimotsu Elementary with allergies to peanuts, we are declaring this a "Peanut-Free Campus". Our cafeteria is working hard to accommodate this declaration by not serving peanut butter. Students with severe peanut allergies can have a life threatening reaction with any kind of contact with this food.

We realize that it may be an inconvenience for you, or for your child, not to have peanut products during lunch time. We are asking that you help us to truly be a "Peanut-Free Campus" by not sending these items with your child to lunch. If a special occasion arises and you will be sending snacks with your child, please check with your child's teacher about approved snacks before sending them with your son/daughter.

Thank you for your cooperation in this matter! It is only as a team that we can continually make Shimotsu shine!

Sincerely,

Mr. Anthony Limon
Principal
Harry Shimotsu Elementary
