

1st Grade News from Miss Garrett and Mrs. Jacquez

August 6,
2020

Dear Families,

Welcome to 1st Grade!

We are so excited to have you in our class this year! We are going to start school from home this year because we need to stay home for everyone's safety and health.

To participate in class, you will need to use your school laptop. We need to know if you have access to internet service or not. We will do everything we can to make sure we are connected with you.

To get started, we are asking that you contact us so we can decide what the best way is to work with you.

Please call, text or e-mail us!
