A COMMUNITY PARTNERSHIP

Dear Parents/Guardians:

We want to take this opportunity to welcome the students and families of Greensburg Community Schools back for the 2022-23 school year. Please know that your child's safety, well-being, and security are our number one priority. As School Resource Officers, a portion of our responsibilities consist of, preventing and responding to school-based law enforcement needs, fostering positive relationships with educators, families, and youth; along with promoting a positive school climate. We take great pride in these responsibilities.

Each year GCSC safety plans are audited and approved by the Indiana Department of Education Division of School Safety and meet all compliant directives set forth in Indiana Code and the Indiana Administrative Rules outlining school building safety planning.

Communication with parents and families is extremely important. GCSC will use School Messenger to communicate in an emergency as well as utilizing local media to provide information. You can help by making sure your contact information is always current. Information may be updated through the parent portal at [www.greensburg.k12.in.us](http://www.greensburg.k12.in.us) or by visiting your child's school.

**When visiting our schools please follow the instructions below:**

Entry into and exit from all of our schools is monitored during school hours. All visitors must check in at the main offices, utilizing our visitor management software, and receive a temporary identification badge before proceeding into any of the buildings.

We ask all parents, guardians and visitors who bring their child to school or pick them up at the end of the day to adhere to our traffic flow patterns. **Please use the student drop-off, pick-up locations as directed by your child's school** and only use the parking lot locations designated for parent parking.

If we can ever be of assistance to you, or your family, please do not hesitate to call or stop by our offices.

Thank you for your continued support and for entrusting the safety of your children to us.
