(Checks Payable to BHMSD)

Infant Program Children 0-2yrs of age:

Tuesday & Thursday Evenings 5:00-5:30pm

This class is for infants 0-2years of age. Lessons for infants require an adult to participate with the child. Program is geared toward making child's first impression of the water positive. A minimum of 5 students must be met to hold class.

Pre-school Program Children 3-4yrs of age:

Tuesday & Thursday Evenings 5:30-6:00pm

These lessons are intended for toddlers ages 3-4years who have either never had swimming lessons before OR are non-swimmers. Lessons for preschoolers require an adult to participate with the child. Lifeguard instructors are provided (limit 7) for individuals unable to participate with their child for an additional \$5 onto the registration fee. The goal for these students is to make the child comfortable with the water and to be able to put their face in the water. A minimum of 10 students must be met to hold class.

Red Cross Level Program

Monday, Tuesday, & Thursday Evenings 6:00-7:00pm

These lessons are for students who are already fairly comfortable with the water. Student **MUST** be 5 years of age. **No exceptions.** Each level focuses on various swimming skills geared toward the development of the child.
