Carlynton School District-Transportation Disclaimer

The district is not responsible for the transportation of students to locations other than from the regular bus stop closest to the student's address registered with Carlynton School District. However, the district is willing to consider the request of parent(s) / guardian(s) who have specialized transportation needs when transportation is within the school district boundaries and the request does not change the existing bus routes. The school district reserves the right to revoke specialized transportation at any time.
