## 9th Grade Orientation Information Packet

June 2021

Dear Students,

Welcome to Ridgefield Park High School!

In September you will begin the next step in your educational journey. We are excited to start you off and partner with you during this process. High school provides a unique opportunity for you to develop academically, while also exploring who you are as an individual. Your experiences during this time will help to shape the young adult that you will soon be.

The beginning of a school year often brings forth feelings of nervousness and excitement. To help ease you into high school and answer your questions, attached you will find a 9th grade information packet. This packet covers most of what students inquire about from year to year. However, I know I may have missed a few questions! If there is something you are wondering about that you cannot find, please do not hesitate to ask.

I look forward to working with you in September!

*Ms. Anderson*

# Frequently Asked Questions

## 1. What is a typical schedule?

- a. English, History, Science, Algebra I or Geometry, Foreign Language, Physical Education/Health and two electives.

## 2. When will I find out my high school schedule?

- a. Over the summer an email will be sent to the parents' email on file with a Genesis username and password. Parents must complete required forms through Genesis and then student schedules will become visible.

## 3. What locks can be used for lockers?

- a. For hallway lockers, students can only use school locks, which can be purchased in the main office or during the first week of school in homeroom. Non-school locks will be removed.
- b. For gym lockers, students can use their own lock, but only for their gym period. Gym locks have to be put on at the beginning of each class and removed at the end. It is recommended that students use a gym lock.

## 4. How many credits do you need to graduate?

- a. 125-- Full year courses are 5 credits. Half-year courses are 2.5. A typical schedule will consist of 35-40 credits per school year.

## 5. Is there an attendance policy?

- a. The Board of Education maintains a policy on attendance which allows for fifteen (15) cumulative absences per year in a full year course, seven (7) cumulative absences in a semester (1/2 year) course, and five (5) cumulative absences in a marking period course. If your child should exceed the allowable number of cumulative absences, automatic loss of credit will result.
- b. Excessive tardiness to school will result in consequences, such as detentions.
- c. Did you know that children can suffer academically if they miss 10 percent of the school year? That's just 18 days or 2 to 3 days a month. Research shows us that absences add up. It's as true for excused absences as it is for skipping school. And research shows us it also marks the point when students start to fall behind academically because they have missed too many days. Let's work together as a community to get all kids to school - on time, every day.

## 6. Where can students complete their 30 hours of community service requirement?

- a. Some students have volunteered at Holy Name Medical Center, our local libraries, at school events with teachers, after school tutoring, and through local agencies. Community service must be unpaid and approved by your school counselor. If you have questions or need help finding volunteer work, see the Guidance Department. Students must submit a community service form to Guidance to document hours.

## 7. How do you start a club?

- a. Students can start a club by writing a proposal to Mrs. Hasselberger, Supervisor of Guidance, and finding a willing teacher to advise the club. It will then go to the BOE for approval.

## 8. How do you start an after school student activity or event?

- a. You can work with student government to submit a proposal to Mrs. Hasselberger or Mrs. Cavins, our principal.

**9. Where can students receive college and career guidance?**

- a. Students receive college and career guidance each year through their guidance counselor. Families are welcome to set up meetings as well. Naviance is a new program the school offers which allows students to take career tests and look up colleges and careers. Ms. Anderson will introduce Naviance to freshmen mid year.

**10. Why is the NJSLA (formerly PARCC) important?**

- a. Students need to pass the NJSLA for graduation testing requirements set by the state.

**11. How do students make a schedule change?**

- a. There will be a Summer Open House day, where students can come in to meet with Ms. Anderson to discuss their schedule. At this time students can also take a self-guided tour of the building. The Open House date will be sent out via email, so be sure to check your RP Gmail frequently over the summer.
- b. Students can also email Ms. Anderson with schedule questions. Students should use their student email to contact Ms. Anderson.

**12. Where do the buses pick students up in Little Ferry?**

- a. Morning Pick Up: Outside of Memorial School and at Indian Lake/Lakeview at 7:00am, 7:10am and 7:20am.
- b. Afternoon Drop Off: Busses return students to Indian Lake/Lakeview and Pickens. The bus schedule is located on the high school website. In the afternoon, buses leave the high school directly after last period, 3:00pm, and 3:30pm. There are also sports busses that leave later in the afternoon.
- c. Little Ferry busses are only for Little Ferry students.

**13. How does morning arrival work?**

- a. Homeroom begins at 7:55am. Last period ends at 2:41pm.
- b. The oval ALWAYS backs up in the morning during drop off. Student lateness is not excused because of traffic. To avoid this I suggest:
  - i. Arrive before 7:35 AM.
  - ii. Parent drop off at the top of the hill by the steps above the school or the steps in Veteran's Park. They will benefit from a little walking.
  - iii. Allow them to walk or bike to school.
- c. When dropping off, please have students exit quickly and then leave immediately (but carefully) to keep the flow of traffic moving.
- d. All high school students must enter the building through the main entrance.

**14. How does lunch work?**

- a. There are four lunch periods throughout the day. Your lunch period will be indicated on your schedule as B, C or D.
- b. You can bring lunch or buy lunch in the cafeteria with cash or by loading money into your student account. If you load money onto your student account you will type in your student ID number to buy lunch. Lunch account information can be found on the high school website under Parent Resources - Food Service. Freshmen have a closed lunch, which means you cannot leave the building for lunch. Students are NOT allowed to order food to be delivered to the school.

**15. What is the Free and Reduced Lunch Program?**

- a. This is a program that offers free or reduced lunch based on family income. Any student can apply for this program.

- b. Future benefits of this program include, college application fee waivers and reduced course cost for dual enrollment courses.
- c. Applications are available in the Genesis parent portal.
- d. If your child qualified for free or reduced price lunch last year, they will continue to receive it through September. A new form must be completed for the remainder of this year.

**16. What do I do if I want to play a sport?**

- a. Register on Genesis.
- b. Students must complete physical forms prior to participation. You can use a current year physical from your personal doctor. Physical forms should be emailed to the nurse for approval - [eaguilar@rpschools.net](mailto:eaguilar@rpschools.net).

**17. Is there required summer work?**

- a. There is no required summer work.
- b. The English Department offers a [suggested summer reading list](#).

**18. Where can I access the student handbook?**

- a. The student handbook has lots of important information. Be sure to review it!
  - i. [Student Handbook Link](#)

# Genesis

Genesis is our student information system. Students and parents both have their own accounts, where they can access their class schedule, grades, attendance records and teacher contact information.

**Student Accounts:** All students should have their Genesis account information. The student portal can be accessed using this [link](#). Schedules will become available on Genesis in mid August.

## **Genesis Parent Portal**

- Ridgefield Park parents already have Genesis accounts.
- Little Ferry parent accounts will be activated in mid July. Little Ferry parents will receive an email notification informing them they can log into their account.

## **All Parents/Guardians**

- **Required Forms:** Upon logging into Genesis required forms must be completed. Student accounts will not be accessible until the parent/guardian has completed the required forms.
- **Contact Update:** Please review your contact information to ensure we have the most up to date records for you.
- **Other Genesis Forms:**
  - Sports registration form available on Genesis
  - Free/Reduced Lunch Application available on Genesis

# Athletics Program

At Ridgefield Park J/S High School, Interscholastic Athletics are an important part of the overall educational experience of our students. Nationwide studies have shown that students involved in extracurricular activities, including sports, achieve better grades, have better attendance, manage their time more efficiently, and have fewer discipline issues. Our philosophy at Ridgefield Park is to provide our student athletes with safe and positive programs that afford each athlete the opportunity to reach their greatest potential, both athletically and personally.

Being a part of an Interscholastic Athletic program requires a great deal of responsibility and commitment from our students and their families. Outlined below is some basic information that will assist you in understanding how a competitive interscholastic program is conducted.

1. Sports registration on Genesis: Genesis registration must be completed by parents of athletes in order to participate in athletics; see the Genesis registration cheat sheet below. All forms can be found on the [Ridgefield Park J/S High School website](#). Parents must sign off on all forms online.
2. Additional Forms: Physical Examination, Health History, and Covid forms are required each year; these are the only forms accepted on paper. They must be downloaded and printed off the [Ridgefield Park J/S High School website](#). Physical examinations, as of the 2021 fall season, must be performed by a doctor trained and certified in the Student-Athlete Cardiac Screening PD Module. Doctors must sign off on all physical exam paperwork.
3. Transportation: As a member of an interscholastic program, students must travel to and from away contests on the school provided transportation in order to participate in the scheduled event.
4. In each program, coaches are hired to be responsible for that program. Team selection and student placement on teams can be a subjective process. It is the right and responsibility of the coaching staff to select the team with whom they will work with throughout the entire season. It is our hope that a student who is not selected for a team will pursue participation in other programs sponsored by the athletic department.

Regardless of the time spent in actual competition, being a member of an athletic program allows student athletes to learn many valuable lessons including: citizenship, sportsmanship, teamwork, commitment, loyalty, respect for others, winning and losing with dignity, self control, and responsibility. Communication among coaches, parents, athletes, and the Athletic Director is an important component to the success of our athletes and teams. Please feel free to contact me with any questions regarding your child's participation in our programs.
